

Venice Area Chamber CEO Roundtable Program Confidentiality Agreement 2019

The CEO Roundtable program is designed to provide CEOs and Presidents with the opportunity to connect with their peers to confidentially discuss the successes and challenges of running a business. The CEO Roundtable group serves as an informal board of advisors to each other.

Roundtables provide an indispensable opportunity to receive new ideas, solutions and advice from others experiencing, similar business challenges and events. I understand that my participation in the group is enhanced by my willingness to share confidential issues faced in my business or personal life.

I agree that it is critical to the success of the Roundtable program that everything shared in the group's meetings remain confidential, and that I will not be the judge of the confidentiality of the material presented.

I accept the responsibility to respect the confidences shared with me at my group's meeting, as well as any contact I may have with group members outside of the established meetings.
