

Ribbon Cutting Procedures during COVID-19

Due to the impact of COVID-19, Ribbon Cuttings will look slightly different due to additional safety precautions that are being taken to ensure safety of those in attendance. Here is what you can expect for your Ribbon Cutting until further notice:

- The Ribbon Cutting will need to take place outside to allow adequate social distancing. If it rains, The Venice Area Chamber of Commerce will work with you to reschedule the Ribbon Cutting.
- We provide the ribbon and scissors, which will be sanitized prior to each use.
- Pictures will be taken at the time of the event and shared on the Venice Area Chamber of Commerce Facebook Page. Copies can be sent upon request.
- Chamber Staff will arrive approximately 10 minutes before the scheduled Ribbon Cutting. Prior to arrival, the Chamber Staff will have had his or her own temperature taken and will only attend if safe to do so (100.3 or below is considered safe).
- It is your responsibility to check temperatures of your staff, family, friends, and those attending. Those with a temperature of 100.4 and above should be asked to return home.
- It is the discretion of each attendee if he or she would like to wear a face mask.
- Refreshments provided by you are optional. If you wish to provide food or beverages, we ask that they be individually packaged to limit the spread of germs.
- We are excited to join you during this celebration! If you have any questions or concerns, please contact the Venice Area Chamber of Commerce at (941) 488-2236.

I have read, understand, and agree to follow the Ribbon Cutting procedures to ensure the safety of myself and others.
